

Security Report for Homeowners of Crestmont: August, 2014

IGI officers escorted 12 non-residents out of the Crestmont community. IGI responded to **19** calls from Crestmont residents regarding suspicious or unfamiliar vehicles and/or persons.

Please find attached a Description Sheet for you to copy and use in making notes regarding auto or suspect descriptions.

Home Alarms

IGI responded to 7 alarm calls. There was no evidence of criminal activity, but rather alarms resulting from sensor malfunctions or user error.

Intervention will promptly respond to any home alarm in concern of person or property but also in the hopes that residents will avoid a City of Oakland false alarm fine. IGI encourages all homeowners with alarms to register for Alarm Response. Contact Nate Cook (502-9653) with any question regarding this service.

Vacation Watch

IG received 9 requests for Vacation Watch; there were zero incidents of crime or attempts while registered homeowners were away.

Vacation Watch is an important benefit and you are encouraged to use the Vacation Watch service if leaving for more than 48 hours. If you are in need of a Vacation Request Form, please refer to your community website.

Vendors

Officers continue to note new vendors and patrol area frequently to ensure the legitimacy of all vendors.

Garage Doors:

IGI officers observed 6 garage doors left open and unattended. We remind you that open garage doors are open invitations for unwanted individuals to enter your garage and help themselves. It also could be an invitation for someone to enter, close the garage door and attempt (unobserved) break-in through the interior door.

Please discuss with all family members the importance of re-checking the closure of garage doors.
